

2nd International Conference of Molecular Engineering of Polymers

Sep. 20th – 23rd, 2018, Shanghai

Invitation

The International Conference of Molecular Engineering of Polymers (MEP) will contain a series of conferences aimed at addressing research frontiers on MEP and offering an opportunity for our honorable attendees to extend academic outreach. The 2nd conference (MEP-2 or MEP-2018) will be held in Fudan University on Sep. 21-23, 2018. The reception is on Sep. 20, 2018. Welcome you to join us in Shanghai.

Organized by

State Key Laboratory of Molecular Engineering of Polymers
(聚合物分子工程国家重点实验室)

Department of Macromolecular Science, Fudan University
(复旦大学高分子科学系)

President

Jiandong DING (丁建东)

Organizing Committee

Ming JIANG (江明), Yuliang YANG (杨玉良), Dongyuan ZHAO (赵东元), Jiandong DING (丁建东), Changchun WANG (汪长春), Feng QIU (邱枫), Junpo HE (何军坡), Huisheng PENG (彭慧胜), Weihua LI (李卫华), Guosong CHEN (陈国颂), Lin YU (俞麟), Juan PENG (彭娟)

Secretary General

Peihong CONG (丛培红), Wenqi LU (吕文琦)

Conference Sessions

- ◆ Synthesis, Structure and Function of Polymers
- ◆ Commodity Polymers & Polymer Physics
- ◆ Biomedical Materials
- ◆ Energy-related Materials
- ◆ Young Scientists Forum will be set in the evening along with poster presentation.

Key Dates

May 31 Deadline for Abstract Submission
July 20 Deadline for Early-Bird Registration
Sep. 20 On-site Registration
Sep. 21-23 Conference Date

Presentation Information

Plenary lecture: 45 min
Young talent lecture: 30 min
Invited lecture: 30 min
Young scientists forum: 15 min
Oral lecture: 15 min

Poster Presentations

A board of 90 cm (W) x 120 cm (H) will be prepared for each poster display. 10 posters will be awarded. An international committee will be organized for this award selection.

Plenary Speakers

Takuzo Aida (The University of Tokyo)
Steven P. Armes (University of Sheffield)
Stephen Z.D. Cheng (University of Akron)
Alan Rowan (The University of Queensland)

Young Talent Speakers

Sarah Heilshorn (Stanford University)
Bradley D. Olsen (Massachusetts Institute of Technology)

Registration

Registration online services are provided at the conference website: <http://www.mepconf.fudan.edu.cn>

Registration Fees in Chinese Yuan (RMB) or equivalent US dollar

| Early (by July 20) | Regular |
|-----------------------------|-----------------------------|
| General.....1200 RMB | General.....1800 RMB |
| Student.....600 RMB | Student.....900 RMB |
| Accompanying Person.600 RMB | Accompanying Person.900 RMB |

Venue
